Appointment Terms & Conditions

1. Your appointment as a redONE Sales Agent shall be effective from the date of Acceptance as signed overleaf. You shall not assign or otherwise transfer this appointment or any of the rights under this Agreement to any other person, firm or company.

2. As a condition to this appointment, you shall at your own cost and expense pay redONE a Registration Fee in the sum of Ringgit Malaysia Six Hundred and Eighty Only (RM680). This shall be submitted to redONE together with the duly accepted Agreement. This fee is not refundable, and entitles you to receive the incentives, training, support, marketing materials and RM100 worth of e-wallet credit.

3. Upon payment of the Registration Fee, you must attend a compulsory training session conducted by your parent Agency or redONE staff, before you will be issued with a Sales ID. This sales ID is very important, as any incentives payable to you will be based on the Sales ID used when registering customers.

4. You can only conduct redONE business and register Customers in the same region and state as the Premier Shop you are linked to. Proof of residence e.g. water bill, may be required. We reserve the right to withhold commission payments for Customers secured by you outside your region. In the event you move and reside in a new location, then a new application and Registration Fee is required.

5. As a redONE Sales Agent, your sales target will be a minimum of thirty (30) new lines a month (360 lines / year). Your performance will be reviewed on a quarterly basis. If you fail to achieve at least 50% of the sales target, or fail to submit all customer forms to the Premier Shop, redONE reserves the right to terminate your appointment, with no refunds or compensation.

6. Commissions will be based on a percentage of total Customer usage and payments collected every month, as per the table below. You will also be allowed to carry out bill payment collections and earn commissions, via your own Mobile e-wallet account.

Sales Agent Commission	REDPlan 8	All Other Plans	Per-Line Registration	E-Wallet Payments
(% of Customer's bills)	6%	4%	RM6	2%

7. Commission payment criteria:

- Bill collection made within 90 days of billing date = 100% as per the above table.
- Collection between 91-120 days = 50%.
- Collection between 121-180 days = No commission paid.
- Any amounts overdue beyond 180 days will be considered bad debt, where 5% of the total bad debt amount will be clawed back from future commissions.

8. For referring others to become redONE Sales Agents, we will pay you a one-time referral fee of RM100. The new Agent must, however, live and operate in the same region as you and your Premier Shop.

9. We will continue to pay you commissions as long as the Customer pays their redONE bills and you (the Agent) remain authorised by redONE to act on our behalf. Any commission payment disputes can be submitted to redONE management before the 30th of each month for verification. Such disputes shall be resolved by redONE in its sole and absolute discretion and redONE's decision thereon shall be final and conclusive.

10. Commissions will be paid before or on the 21st of every month. Commissions will be paid in the form of e-credit to your e-wallet account, which you can then request to cash out (on specific dates) into your bank account with a minimum amount of RM200 per request.

11. Notwithstanding anything contained herein, redONE reserves the right to withhold and/or set-off any payment due to you against any sum of money owed by you to redONE in any way whatsoever. You shall not set-off any payment obligation to redONE on any basis unless otherwise agreed in writing.

14. redONE may from time to time announce special or seasonal incentive schemes in addition to the commissions listed here. redONE also reserves the right to amend or change any or all of the commission schemes, with the Sales Agent given thirty (30) days prior written notice.

15. You shall ensure that the NRIC/Mykad and/or Customer's documents are the same as the information submitted by the Customer. Upon you certifying and accepting the NRIC/MyKad or Customer's documents submitted during the registration process as a true copy, you shall be held responsible for any discovery of a fake or tampered or false NRIC/Mykad or documents or information or any other documents submitted to redONE.

Should redONE discover that you have committed any act which constitutes but is not limited to the act of deceit, falsehood or of a fraudulent nature against redONE, redONE may without prejudice to any other rights under the law or this Agreement, and without any notice to you, take any of the following actions against you:

- forfeit all or part of the deposit or advanced payment from the suspended account(s); and
- any other acts that redONE shall in its sole and absolute discretion deem fit and proper.

16. You shall not use any of the trademarks, company names, domain names and other related intellectual property rights which are proprietary to redONE or any name or mark similar to or capable of being confused with such trademarks, save only with the permission, and to the extent permitted by redONE during the term of this Agreement in connection with the promotion, sale and marketing of our products.

17. You are not allowed to verbally or in writing tarnish or affect adversely redONE's image and reputation and/or other agent's image and reputation in the eyes of the public and/or of Customers in whatever means and circumstances.

18. You shall at all times abide by the relevant laws and guidelines set by the Malaysian Communications and Multimedia Commission including but not limited to those relating to the registration of Customers; and the notices, guidelines, information and specifications furnished by redONE from time to time.

19. These requirements include but are not limited to the collection of deposits and the necessary documents which shall be compiled. redONE reserves the right to amend and/or vary from time to time these policies and/or guidelines at its sole and absolute discretion.

20. All fees shown do not include 6% GST.
